More Staffing Changes for Semester 2
Recently I advised you that next term Mrs Lynne Takacs would be joining the Regional Curriculum Consultancy team for terms 3 & 4 and Mrs Julie Frost who is due back from Canada will take Mrs Takacs' Yr 4 class. Mrs Frost will also take up the position of Relieving Assistant Principal and will join both Peter Cameron and Dave Hounsell.

We have also been advised that Mrs Kerry Boyenga will be retiring at the beginning of next term and Mrs Isbester who was originally going to take leave will now take Mrs Boyenga’s class for the remainder of 2012.

Mrs Boyenga has been on our staff for a number of years and will be greatly missed by all of us. I would like to thank her for her wonderful commitment and dedication and hope she enjoys every minute of her retirement.

Goodbye Mrs “B” and good luck with all the things you will now have time to do!

NAIDOC Week
Many thanks to David Nye for his wonderful support during NAIDOC Week. David has been instrumental in providing advice and direction in many of our Aboriginal activities.

We also send many thanks to "South Eastern Aboriginal Regional Management Services" (SEARMS) for their wonderful donation of food for our Sausage Sizzle on Thursday.

Athletics Carnival
We had fantastic weather yesterday for our Carnival. The sun shone, the children ran and cheered and all had a wonderful time. At this stage we are yet to finish off our field events so we will not be able to work out the final House champion until after this has been completed.

Special thanks to Mrs Claudia Dixon who was the judge for our Marching. Mrs Dixon is well known in our school and it was lovely to have her back with us – even if her job was an extremely challenging one. Mrs Dixon decided after much thought and counting of numbers that Boolbee was the winner for the marching. Well done Boolbee!

Reminder to all families
The Woolworth's Earn & Learn programme ends on 1 July. Could you please return any stamps/sheets that you have so that they can be added to our school entry.

This will be our final Scoop for this term. I would like to wish you all a safe and happy holiday and will look forward to seeing you back here again on Tuesday 17 July.

Please note there will be no Scoop during the first week back.

Southern Rivers CMA is updating it's Catchment Action Plan and we want to know what natural values and places are important to you across our region.

The Catchment Action Plan will guide community and government investment into improving the way we care for, live and work to protect our natural resources – soils, native vegetation, rivers, native animal habitats, estuaries and in-shore marine areas.

This will be a once in a lifetime opportunity for these youth to represent their local Scout troop and our town.

Please take a moment to consider the following ways that you can promote your business whilst sending the Batemans Bay Scouts packing!
