Principal’s News

Tuesday, 7 August 2012

Last Wednesday we had a wonderful day with our student developed "Olympics". The students surprised us all with the way they engaged in the tasks and used their imagination and creativity to come up with some unique events, costumes and names of countries. Teachers facilitated these tasks but did not direct the learning activities.

Opportunities such as these help the students develop skills they will need in the 21st century (cooperation, communication, flexibility, leadership, engagement in the learning process, curiosity etc).

This task was based on "Challenge Based Learning" and is part of our Gifted and Talented Program.

Our assembly this week will be led by students from KB.

Interested parents are also invited to contact the school regarding attendance at the camp, in particular the Adjudicator Training Course.

Tribute for Sky and Kayla Burdett
A special tribute for Kayla and Sky Burdett was unveiled at school last Friday. A seat in the shape of a surfboard, with the engraving: ‘still laughing, still surfing, still my friend’ was placed in the grassed area in the centre of the school where students will be able to sit quietly, think and relax.

Photo: Brodie White, Mallee Smith, Heidi Woolridge, Jakirra Nye, Lucy Phillips, Leah Hearne, Chloe Mizzi, Hallie Wignell and Briony Floreani were excited with the seat that pays tribute to their friends Sky and Kayla.
