## Relay for Life

Congratulations to Broulee Public School Relay Walkers! We are very much part of our local community and our school, as well as teaching the traditional academic subjects, should reflect our societies values. The Relay for Life (Cancer Council) was such a reflection of both school and community values and it was wonderful to see so many of our staff involved in this worthwhile event.

The relay was held over two sunny days and a magnificent clear, full moon night. We walked the entire 24 hours and enjoyed the company of a lot of people from many community organisations. Broulee Public School is already planning for next year. Many thanks Mrs Morgan for all your organising and to all team members who gave up their time to participate.

Thank you to our ‘Happy Feeters’: Mrs Lowe, Mr & Mrs Cameron, Mrs Bourke, Mrs Dunn, Mr & Mrs Frost, Mr & Mrs Dent, Mr & Mrs Nutt, Mrs Morgan and Miss Miller.

## Candidates Speeches

Last Thursday 18 students delivered their election speeches to an interested body of students. I was extremely impressed with both the standard of the speeches as well as the confident and mature way each student delivered them. I would be delighted to have any of these students as the new 2011 captains and it will be an extremely challenging task to select the final four captains from such a talented group. Congratulations and “good luck” to all candidates.

## Principal Stickers

Aaron Barnes, Nickolas Jessop, Kai Taunga, Jake Walker-Tutty and Denzel Carriage. Well done!

## Thought for the Week . . .

Successful Mufti Day

Our Sea of Purple last Wednesday raised over $350 for the Cancer Council. Thank you everyone for contributing to this worthy fundraising event.

The lucky sports pack winners are: Jarrah Sheldon, Jana Patrizi, Kai Taunga, Halli Staunton, Hannah Campbell and Rielly Collins

A Thankyou From The Swimmers

The Intensive Swim Scheme has been completed after 10 days of great practice. All swimmers improved in both distance and technique. For the entire 10 days Mr Miller (Rusty’s dad) came along to supervise the boys in the change rooms. It was an enormous help and was much appreciated.

Firemen Visit

Last Friday 2M and 2F had a visit from the Fire Department as part of the HSIE unit on Workers in our Community. Ms Miller organised for the local fire brigade and its volunteers to show us the fire truck and explain how the equipment works and what to do if we are caught in a fire. We were allowed to get into the truck and hold the hose. It was great fun and we learnt a lot, but the fire fighters learnt something from us too, because Ms Miller had taught us a song and a poem that they thought was terrific. We know how to “Stop, Drop, Cover and Roll,” and to “get down low and go, go, go!” You may like to ask your child to sing it to you sometime. It was a great visit even though it was VERY hot.

Sport and Recreation’s Swim & Survive

Sport and Recreation’s Swim & Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers and beaches. The intensive nine day programs give wonderful results, and are great fun as well! Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including Batemans Bay and Moruya. Our instructors are nationally qualified and screened for their suitability to work with children. Prices for nine lessons are $59 for school aged children and $44 for preschoolers (excludes pool entry fee. Information/application forms are now available at the front office.
**Fish Bits**

14 children from 2M have been going to Batemans Bay pool for swimming lessons. So far the weather has been hot and sunny. The children are all having fun learning how to swim and be safe near water.

For the past two Fridays Kate from AFL has been providing fun skill activities for the children in Stage 1. Even with the rain, Kate still had some fast moving drills for the children to do under the Cola. In this photo it was a fast and furious game of rob the nest.

**P & C News**

**Art on the Path**

Many creative parents and children have been busy producing craft items, using sustainable materials, to sell at the P&C stall at the ‘Art on the Path’. ‘Art on the Path’ will be held on the Broulee footpath on Sunday 5th December. It will be a great opportunity to purchase some unique gifts. If you would like to help out making items for our stall come along to our ‘Making sessions in Mrs Dunn’s room every Thursday afternoon at 3pm. No skills are necessary. ALL WELCOME.
