Principal’s News

Presentation Day

A big thank you to parents, family and friends who joined us yesterday in celebrating the successes of our school and students this year. It was wonderful to see the smiles on the faces of our students and the very proud family and friends as we announced our school leaders for next year.

Thank you to our 2014 school captains Austin Reid, Max Cooper, Soma Faraday-Kogler and Erin White for their leadership this year and for hosting a wonderful ceremony.

A big congratulations to our 2015 school captains Stuart Megee, Seth Conolan, Damia O’Loughlin and Bree Mealy on being elected.

To all the Year 6 students leaving us, I wish you all the best on behalf of our school community with your future endeavours at high school.

Thank you to all the staff at Broulee Public School for your dedication and commitment to our students and Public Education.

I wish you all a very merry Christmas and a happy and prosperous new year.

This Thursday’s assembly will be led by our 2015 School Captains. All families are welcome to attend.

Thought for the Week

All That is Christmas
Poet: Julie Hebert, ©2011

Christmas is more than just presents,
It's love and harmony.
Together with friends and family,
Laughing and being funny.

We sing so many carols,
That we can't forget the tunes.
Christmas is so very exciting,
Especially in the afternoons.

Mornings are about Santa,
Exchanging our lovely gifts.
But afternoons are about loving,
All those who we feel fit.

Swimming Carnival

Our 2015 Swimming Carnival will be held next Tuesday 16 December at Batemans Bay Swimming Pool. This will be our 2015 House Captains first official duty.

Entry forms for the swimming carnival can still be returned to the Front Office up until this Friday 12 December.

Important Dates

• Friday 12 December – Year 6 Farewell Disco
• Monday 15 December – Broulee’s Got Talent Final – 11.40 am
• Monday 15 December – Reports go home
• Tuesday 16 December – Swimming Carnival
• Wednesday 17 December – Last day of term

2015

• Wednesday 28 January 2015 – Kindergarten & Year 6 return
• Thursday 29 January 2015 – Year 1 to Year 6 return
Google Apps For Education
We recently set up individual Google Apps for Education accounts for all our students attached to our www.brouleepublicschool.nsw.edu.au domain. Students in Years 3–6 have begun using these.
https://www.google.com/edu/products/productivity-tools/
Google Apps For Education are available to Broulee PS students 24/7/365 and include DRIVE (for cloud storage) DOCS (similar to Word) DRAWING and PRESENTATION (similar to Power Point).
As a bonus, the students’ work is automatically saved to the cloud as they type or draw!
Google Apps work with any device, Windows, Mac, iPads, Android etc. and of course, Google Chromebooks and Tablets.
We have purchased a few Chromebooks to trial.
So far we are very impressed and would have no hesitation in recommending Chromebooks for our BYOT program Years 3–6.
These cost effective little laptops can be purchased at prices as low as $250 on special, $299 retail.

Ethics
We are looking for more volunteers who are willing to teach classes next year. Primary Ethics will be delivering training in Moruya in early February (usually conducted in Sydney), which is a great opportunity to train locally.
To find out more about Primary Ethics and becoming an Ethics Teacher (even on a casual basis), please go to www.primaryethics.com.au or contact Ethics Coordinator, Anita Macartney on 0407 959 602 or anita.macartney@campbellpage.org.au.

Hour of Code
This week is Computer Science Week and students all around the world have signed up to complete an 'Hour of Code.' Broulee Public School students are joining the more than 60,000,000 students taking up the challenge. Coding is another name for computer programming and is a very engaging and rewarding activity for people of all ages. Students can learn how to make computer games, moving characters and causing effects by the codes they use. Coding is taught to students through a range of tutorials, asking them to try different codes to achieve the desired result. They can also come up with their own codes to make things happen and create a program. Coding can be done on any device.

There is a free App called Scratch Jr which we encourage you to try. Visit the website www.hourofcode.com and press 'Start' and you will be taken to a range of videos and tutorials to get you started in Coding. Remember, coding isn't just for students, Mums and Dads will also enjoy making their own Flappy Bird computer game or creating a snowflake with Elsa from Frozen. Have fun and be amazed!
