Principal’s News

Tuesday 10 May 2016

Mother's Day – It was lovely to hear some of the Mother's Day stories on Monday morning as children shared their cooking exploits and household efforts. I'm sure all such efforts were viewed through rosy glasses as proud families relaxed in a thousand different ways.

ANZAC DAY – Many thanks to the parents, grandparents and community members who provided feedback (letters and verbal) on the exemplary behaviour of our students during the recent ANZAC Day March at Tomakin. A special thank you to our students who led the march and laid the wreath on behalf of the school, Gabriela Ware, Saithong Fafie, Charlie Jones and Tane Simons. Thank you also to the staff who marched alongside the students. It's always a privilege to be part of, and lead such a school.

NAPLAN – This morning was the first day of NAPLAN, with children in Years 3, 5, 7 and 9 taking part in these National tests. Please remember these tests are only a snapshot of where children are, it's not worth having stressed or upset children or worrying unnecessarily about them.

Congratulations – to both Seb Giri and Abbey Dunn who have gained selection in Regional sports teams (Seb – AFL, Abbey – Touch Footy). Both students will be travelling to state knockouts in the near future. It’s a wonderful opportunity for our school students to be able to participate at this level.

P&C Meeting reminder – Please join us this Thursday evening for our P&C meeting. We start at 7:00 pm in the school staff room, all welcome.

Premier’s Sporting Challenge (PSC)

Last year’s successful participation in PSC has seen all classes take up the challenge again in 2016. The program will run for any 10 weeks over the next two terms. In order to achieve a diamond, gold, silver or bronze award, the class must average a certain time per student.

- Bronze – 30 minutes per day
- Silver – 45 minutes per day
- Gold – 60 minutes per day
- Diamond – 80 minutes per day.

To share the responsibility in achieving the class goal, individual students can only contribute 85 minutes per day.

Remember, any physical activity can count towards the daily total. Walking the dog, playing a game of soccer with mum or dad, riding a bike, walking to school, going to sport training after school, participating in a sport on the weekend and lots more.

Weekly lessons with Mr West (using Sporting School funds), Sport, PMP, daily fitness routines, lunchtime competitions, trainings or games will ensure that students participate in the minimum 150 minutes of physical activity per week as stipulated in the Department’s Sport and Physical Activity policy. In order to achieve extra time, parents and carers are asked to support their child(ren) by encouraging physical activity after school and on the weekend.

Each class will keep track of their times and any questions can be directed to the class teachers.

Class photos, progress, stories and outstanding student results will be published via the Scoop and Class Blogs – so stay tuned for more!

Bengello Information Titbits
At Broulee school, the lovely canteen ladies have created a new and improved winter menu for us.
The new menu includes information about lunch orders, the very affordable treats and general information about our Canteen.
The treats that are sold over the counter range from 10c to $2.50. There are a selection of new treats that you can order for lunch like roast chicken and gravy roll and a milk and sipper straw that you can order over the counter! Don’t forget to use your manners while ordering or buying lunch! We have decided to ask Belle some questions about the canteen.

Question: How many staff members do you need at the canteen?
Answer: On Friday, I need 4. On Monday and Wednesday, I need 3.

Question: What is your personal favourite item on the menu?
Answer: I love the Meatballs and Pasta.

Question: How long does it take to prepare the food?
Answer: We need the orders in by 9:30, and we have an hour and a half to finish the orders. So from about 9:30–11:00am.

Question: What is currently the most popular over the counter food?
Answer: Easy. Wedges by far.

(You can grab a paper copy of the new menu at the front office.)
Thank–you Belle for organising the Canteen!

Community News

Have you heard about the Moruya Peace Park Project?
The inspiration for the Peace Park in Moruya is fuelled by a wish for inclusion and will support activities to raise awareness about the importance of peace – individually, locally and globally – as well as providing a place to celebrate and reflect on peace.

Where will it be? The Peace Park will be on the grounds in front of St John's Anglican Church in Moruya. The land is part of the heritage precinct of Moruya.

What will it feature? There will be a number of landscaped features of the Peace Park. First to be made will be the labyrinth. As well as this meditative space, there will be a space honouring the first peoples of this land designed by a respected Yuin Elder.

What is a labyrinth? Labyrinths consist of a single path winding into the centre, often described as a walking meditation. Walking through one can offer such health and wellbeing benefits as reducing stress, renewing one’s spirit, and sparking creativity and inner joy.
