Principal’s News

Tuesday, 11 March 2014

The Fete is fast approaching and we are keeping an eye on the weather, fingers crossed IT WILL BE fine and sunny on 20 March! Many thanks to all of our parents and community members who have sold tickets, donated goodies or found time to do the many things that need to be done to organise a school fete.

Fete Organisation

The Fete will go from 3:30–7:00 pm. It will be opened at 3:30 pm by our Students who will perform a dance to celebrate Harmony Day. Each student will wear something orange that they have made at School (headband/wrist band/waist tie etc) to celebrate.

The Thursday of the fete will be a Mufti Day where children can wear anything that is bright and colourful. Parents are reminded that children should not be left at the Fete unattended. Staff will be busy with stalls and children during this time will be parent's responsibility.

Dropping Off Students

Just a quick reminder to parents that the staff carpark is only to be used for staff parking and not for dropping off students. I fully appreciate that there is limited space on the road for parking, but the small space in the carpark does not safely allow for cars to turn around or reverse out onto the busy road. We appreciate your support with this road safety issue.

Professor Stephen Heppell

Last year I had the pleasure of attending a National Conference in which Professor Stephen Heppell was one of the keynote speakers. Stephen Heppell is a well known international expert on education and technology and in the following link he shows how children can become experts with digital learning and how schools must become more responsible in their preparation for helping students prepare for the workforce. Most of the programs that the students are using are ones that we use here at our school. Please click the below link.

Southern Stars
Congratulations Sam Clarke! We now have a dance and a choir group that will be performing in Southern Stars in Wollongong in August of this year. This is fantastic news since it is the first time Broulee Public School has ever been accepted. More news to come!!

This Thursday’s assembly at 1.45 pm will be led by students from 3/4M. All families are welcome to attend.

Thought for the Week
I am very proud of my staff and the teaching and learning that happens in our school.

Year 4 Excursion to the Botanical Gardens

We studied how plants reproduce.

We helped to pot Lamandra.

We learnt 97% of life on Earth is plants and 3% is animals.

Jenny taught us a lot of facts about native plants.

There was thunder and lightning and torrential rain. That was COOL!
Teachers Federation Representatives
Mrs Nerida Bourke and
Mrs Maureen Isbester presented
Principal, Mrs Sue Lowe with a $400 Tree Levy. The funds will be used to
purchase additional native plants to
beautify our playground environment.

Congratulations
Wade, Austin, Jaidon, Taj and Kobi
on your selection in the
Eurobodalla District AFL team who
will now attend the South Coast
regional trials later in the term.

FETE NEWS

The success of our previous cake stalls has been due to the generosity of parents donating cakes, slices, biscuits etc. Cake and biscuit containers will be sent home by the end of this week. SCHOOL UNIFORMS BORROWED FROM THE FRONT OFFICE

Sometimes students need to borrow spare clothing from the Front Office and a note is sent home at that time requesting the borrowed clothing be laundered and returned.

If your child has borrowed clothing from the Front Office and not returned it, could you please do so as soon as possible as we are running in short supply.

Thank-you
