Waste

With our push to recycle not only paper and plastics but also scrap food, we have come across some disturbing facts. Although we collect food scraps for our chooks, worm farms and compost bins, we have so much wasted food left over that our dumpster bins are filled and emptied every ten days. Although fruit time and lunch are always supervised by teachers and there is a specified time and eating place for each class, many students eat only part of their lunch and throw the rest into the recycle buckets. From today we will be asking students to take home uneaten food so that parents are fully aware of what is eaten at school. We are lucky to have so many healthy lunches coming to school and it’s a shame to see so much of it going to waste. If parents find they are sending too much food to school and they need to cut back on the amount, could you please cut back on the packets of processed snacks such as chips, instant noodles etc.

Voluntary Contributions

Thanks to all of our families who have paid their voluntary contributions (school fees). It was pleasing to see that many parents have chosen to pay additional funds for our technology program. Our Early Bird Draw occurred last Thursday with Lucy Jones from 5/6C being the winner. Congratulations to Anne and Marty, Lucy’s parents, I’m sure the $100 petrol voucher will be appreciated.

There was also positive feedback from parents about the ability of being able to have direct deposit facilities available.

International Competitions & Assessments for Schools (ICAS) (formerly known as University of New South Wales Competitions)
This week we will be sending home the entry forms for the ICAS Competitions. These forms need to be returned to the school asap. If you would like any additional information, please do not hesitate to contact the school.

Wonderful Parents
Thanks to the many wonderful parents and community tutors who come in each morning and listen to children reading. We are very lucky to have so many committed people in our community.

Thought for the Week
We will be friends until we are old and senile
And then we will be new friends.

This Thursday’s assembly at 1.50 pm will be led by students from 3C.

Kindergarten Recycling Team
The Kindergarten Recycling Team would like to thank our school community for the donations of the old black and green recycling bins. The bins are now in use in our school grounds and are located in each teams eating area and in the COLA. Please use them!

Relay for Life.
Thank you to everyone who supported our Relay for Life “Purple Mufti Day” last Wednesday. We raised $337 for the Cancer Council. We are selling Relay for Life raffle tickets each morning just inside the school gates from 8:30 am. Tickets are $2 each or 3 for $5 with some great prizes on offer! You can also make a donation to our Broulee Public School Relay for Life team by clicking here or google Eurobodalla Relay for Life. Come along to support our team at Hanging Rock Sporting Complex this weekend between Saturday 9 am to Sunday 9 am and join us to walk laps of the oval.

Relay for Life - Purple Mufti Day Prize Winners
There were a lot of happy, smiling faces after the Mufti Day draw took place at Thursday’s assembly. Caps, drink bottles, AFL backpacks and teddy bears were some of the prizes the lucky winners could choose from.

Broulee Football Club
First Training Session commences Wednesday 20 March at Capt Oldrey Park.
All junior grades at 4 pm.

Stingrays Girls Football Club – April School Holidays
Sport and Recreation, Office of Communities in partnership with the Illawarra Stingrays Women’s Premier League Team will again be hosting the Stingrays Girls Football Clinic this upcoming April School Holidays. The two day clinic will be held at JJ Kelly Park (Outer Field), Wollongong on Thursday 18 & Friday 19 April 2013 from 9:30 am to 12:30 pm each day. All coaching will be provided by current players from the Illawarra Stingrays Women’s Premier League team. With a low player to coach ratio and an emphasis on ‘having fun’, the clinic will provide participants with the opportunity to build upon their fundamental football skills including passing, shooting, game play, defending and playing as a team.
Open to female students between 7–14 yrs.
The clinic is suitable for girls who currently play in a school team or with a local club.
At an affordable $45 over two days, this clinic provides a fantastic opportunity for young female players who love playing football to meet their favourite Stingrays and learn some new tips and tricks for the season ahead. Please see flyer on Broulee Public School Community noticeboard.
Enrolment forms available from Broulee Public School Front Office.

Come and see our exciting toys! We have something for children from age 6 months to 5 plus years of age. Toy Libraries put more fun into your child’s playtime and is educational at the same time.

The Batemans Bay Toy Library does much more than hire out toys. It also offers a friendly and social place for adults and children to visit, and toy library members are able to hire from our great range of toys such as bikes, cars, cubby houses, slides, building blocks, rockers, train set, doll house, baby toys, basketball hoop, puzzles, games and much more.

What is a toy library? It is a resource centre for parents, grandparents and carers of young children, which provides the opportunity to hire a variety of toys for a minimal fee, therefore saving parents spending a great amount of money on toys that children quickly tire or grow out of.

The toy library operates fortnightly on Saturday and Monday mornings and is located at the Child Care Centre, Melaleuca Drive, Catalina. For more information on opening days and times and for membership, contact Jan Prior, Librarian, on 0409 301 413 or email toylibrary@anglicare.com.au.
