Principal’s News

Yesterday was a very proud day for the educational community at Broulee Public. Over a special morning tea, Paul Morris, Director Public Education, presented the school with the Director General's Award. Broulee was one of only sixteen schools statewide that was acknowledged for their significant contributions to public education. The Director General, Dr Michele Bruniges said that the winners were chosen by an expert panel which considered the degree, value and – most importantly the impact of the schools programs on the teaching and learning environment.

Remembrance Day

Our School Captains and students from 2/3F led the whole school in a very moving Remembrance Day service yesterday. All students made hand prints with special messages of "Peace" written on them. These were later collated into a large "circle of hands". Special thanks to Julie Frost who coordinated the service and to all the students who participated in the service with dignity and pride.

Transition to Kindergarten

Today we had our first Kindergarten orientation session with our new 2014 Kindies. This is always such a special time of the year as we watch these small people begin their adventure into education and a lifetime of learning. Welcome to our school – we hope you all have a wonderful time in the coming years.

Upcoming Events – Click on link below to see our Calendar
This Thursday’s assembly at 1.45 pm will be led by students from 4/5M. All families are welcome to attend.

Sue Lowe
Principal

Thought for the Week
Sometimes it is better to be kind than to be right. We do not need an intelligent mind that speaks, but a patient heart that listens.

Congratulations
Our Year 6 student Leah Hearne has capped off an amazing year earning a scholarship with the South East Regional Academy of Sport (SERAS) for 2014. Racing BMX at the highest level has taken Leah to many destinations in 2013 both nationally and internationally. After an outstanding National Titles hosted by Australia’s Olympic BMX Training Facility at Brisbane’s Sleeman Centre, Leah made the final of the 12 girls Dynamites and the semi–final of the 16 & Under Girls Cruiser where she was the youngest competitor to do so. These results automatically qualified her to be part of the Australian BMX Team to compete at the World Championships in Auckland New Zealand. Racing the best riders in the world, Leah narrowly missed progressing through to the finals, but gained a huge amount of experience preparing her for future world championships. On returning from the World’s, Leah went on to finish 2nd in the NSW State Series, 4th & 3rd at the NSW State Titles and also a change in sponsor. Leah is the newest Team Rider with GHP Australia who has already provided her with 2 new race bikes for 2014.

With a new team, support from the South East Regional Academy of Sport and the ACT State Team, Leah is looking at an even bigger 2014.
Max Cooper was the first Walkathon lucky draw winner. He was excited to win the Gift Voucher from the Moruya Aero Club as he has never flown in a plane before. Max said he can not wait to look down upon Broulee from above. Congratulations Max!!!

**Book Fair**

Our last Book Fair for the year will be held in the iCentre next week. Book Fairs are a great opportunity for children, parents and grandparents to buy books, posters and novelties from the wide range available.

Students will be previewing the Book Fair with their classes on Thursday and Friday of this week. If you do not wish your child to attend the class preview, please let me or your child's teacher know.

As always, items are sold at recommended retail prices, with our school retaining a 20-30% commission. This money is used to purchase resources for our school. Purchasers will receive a bookmark and go into the draw for book or poster prizes.

Hope to see you there,
Isabelle Cameron
