Principal’s News  
Tuesday, 13 March 2012

Over the last few days we have cried but we have also shared some lovely happy memories and found some gorgeous photos of both Kayla and Sky and their friends.

In losing Kayla and Sky we have been reminded how precious life is and how quickly things can change in a few moments of time. The girls will always be part of our school memories, their smiles embraced everyone they knew and they made our community a richer and better place.

Our children will find their own ways to move on, they are already looking and talking about some form of memorial for the girls. After much discussion with both our P&C and students we would like to look at The Fete going ahead as originally planned this Thursday and some of the funds raised used to build a memory garden for the girls.

It will be difficult to run the fete so soon after such a tragic time but perhaps it can help us pull together as a community and support our children in this healing time.

This week’s Successful Schooling article is a re-run of the “Grief” article that was in our Scoop last year. It has several good links in it for parents if they would like additional information on grief. Other handouts are also available at the front office.

The Fete 3:00–7:00pm – thank you to everyone for your support with this day. Thursday will be a mufti day where children can wear anything that is bright and colourful. The afternoon will start with a small celebration of Senior’s Week when our junior classes perform to some of our older community members and grandparents on Thursday afternoon.

Parents are reminded that children should not be left at the fete unattended. Staff will be busy with stalls and children during this time will be the parent’s responsibility. Please don’t forget to return raffle tickets and money asap.
Bus Passes
If you have a student in Year 3 and you have not yet applied for a new bus pass could you please do so asap. The guidelines from Transport NSW, requires all students entering Year 3 to complete a new bus application. These forms (blue) are available from the front office.

Dropping Off Students
Just a quick reminder to parents that the staff carpark is only to be used for staff parking and not for dropping off students. I fully appreciate that there is limited space on the road for parking but the small space in the car park does not safely allow for cars to turn around or reverse out onto the busy road. We appreciate your support with this road safety issue.

Good Luck
Good luck to our swimmers who will be swimming at Dapto tomorrow in the regional swimming carnival.

Assembly
This week there will be no assembly as we will be busy with the fete. Next week it will be led by 4T.

Thought for the Week
There are things that we don't want to happen, but have to accept and people we can't live without, but have to let go.
With all our love to two special girls,
Goodbye Kayla and Sky

Sue Lowe, Principal

BROULEE BONANZA FETE
THANK YOU TO EVERYONE

Our school Fete is ready to go this Thursday.

It is the part of a healing time for our kids and we say a huge Thank You to everyone who has contributed to the planning and organising. Thank you to parents who have volunteered to help on the day and to all the people who have purchased raffle tickets, armbands and made donations – “from little things…”.

The Fete is a memory--making event for our kids and a chance for them to experience the support of our great community. See you on Thursday.
