Welcome back to third term! It's certainly been a wild and woolly cold end to the holidays. To those who were fortunate enough to experience some time in the snow, I hope you enjoyed it's special uniqueness and silent beauty. For those who stayed closer to home, I'm sure you were able to find some time for a walk on the beach or family time with friends.

A special welcome to our new families who started this morning. I hope your time with us is a wonderful journey of inquiry learning, friendships and fun.

To keep track on upcoming dates, including excursions and sporting events, please keep a regular check on our calendar on the school website. All events are listed on this calendar to help families with long term planning and organisation.

This week’s assembly will be led by our School Captains. All families are welcome to attend.

Sue Lowe
Principal

Thought for the Week

We grow when we are at rest.
Our best ideas happen in the shower.
Time off isn't a luxury,
It's a necessity.

Upcoming Events – Click on link below to see our Calendar

To create a passion for lifelong learning with a commitment to innovative, flexible & creative thinking.
Environmentally friendly snack foods

Choose an apple, mandarin, orange, pear, banana, plum, mangoes, pieces of melons, nectarines, peaches or other fresh seasonal fruit for a quick, easy, environmentally-friendly snack. No packaging, full of nutrients and antioxidants, plus it tastes delicious!

Community News

Broulee/Mossy Point Community Group
Special Community Association Meeting
Thursday 16 July 7 pm – Broulee Public School Hall

Last year, Council approved a plan to clear the endangered forest at the back of Broulee to facilitate a major development. Recently they have endorsed a change to the Local Environmental Plan which would substantially increase the size and impact of the development consisting of:

- 500 new dwellings (roughly twice the size of Reflections Barlings Beach)
- 1.4km strip of medium density zoning
- Reduce the block size to 450m²
- Increase population to 3700 (a 60% increase)

Initial feedback from our members has raised varied concerns regarding certain aspects of this development. We would like to hear your opinion?

This is not an anti-development meeting and we recognize that this development will proceed. But we believe that certain conditions need to be met to ensure that this does not adversely affect our schools, pollute our beaches and ultimately this development maintains the village character of Broulee.

Are you interested in learning more? Members from the planning department at Council who wrote the proposal will be at the meeting to field your questions. We recommend that you review Council's documentation before the meeting. We have compiled this on our website: www.brouleemossypoint.org/development.html

---

2015 Mayor’s Writing Competition

Are you a young writer between the ages of 5 – 18 years? Do you have a great story to tell? Would you love to see your story published? Here is your chance to make it happen! So, what are you waiting for?

Pick up an entry form at your local library or download one by clicking on News and Events on the Council homepage www.esc.nsw.gov.au and Mayor’s Writing Competition.

ENTRIES CLOSE: 5pm FRIDAY 28 AUGUST 2015
Let’s Talk About...

Ice

Wednesday 19th August 2015
6.30 - 8.30pm

Child Minding available on the night

Concerns of Australians are being raised over the growing issue of Ice (Methamphetamine) in all communities.

We invite you to join our discussion with expert speakers where we will explore the facts without the fear, and look at helpful hints without the hype.

The discussion will include:
- Impact on the body, relationships and opportunities in life
- Indicators of usage within friends & family
- Details on services & where to get help
- Local and national initiatives to assist
- Police perspectives to help the users

RSVP 14th August 2015

What is Ice?

What is being done in our community and nation wide?

What can I do to help?
