Email Addresses
Apologies if in recent weeks you have either received our newsletter email twice or in one particular case, three times. Our current email address list is very old and has been added to many times over the years. We now need to create a new list and are seeking your assistance to make this transition as smooth as possible and to avoid dropping off any parents who have students at our school.
Even if your email address HAS NOT CHANGED you will still need to register your email address again, sorry but that way we know we will have an updated accurate list.
Could you please:

- go to the front page of our website
- click on the red writing on the top right hand side of the page "Subscribe to the Scoop"
- This will take you to our new Scoop page where you will enter your name and email address.
- This should only take a few moments of your time to complete. We will continue to use our old lists until next term when we will swap over to our new list. Many thanks for your support with this change.

Our newsletter – The Scoop will always be available from the front office for those who cannot access the internet.

Bus Lines
Last Friday we finally moved our afternoon bus lines down to their new area on the basketball courts. From now on the students will line up and exit through the new gate directly onto the buses. This will leave the main gate free for children who are meeting their parents or who are walking home in the afternoon.
These changes should ease the "busy" exit that we have had for so long around the main gate. The new gate, however, will only be open in the afternoon for the bus lines and will not be open during the morning. The morning buses arrive at different times and we don't have the crush that we experience each afternoon.
Dates to Remember
By now you should have received your invitation to our "Collaborative Schooling" launch on the 23 March. As this is Grandparents’ Week a special invitation should also have gone home to all grandparents. This is your chance to learn all about our school website, especially our class blogs and a new series of research articles that we will be running each week.
The children are looking forward to showing you their blogs so if you have not already done so could you please let your child's class teacher or the front office know if you will be coming and staying for afternoon tea.

A second date to mark in your calendar is our School Walkathon. This will be held on the 29 April which will be the first Friday back after the holidays. This is always a lovely day to spend with your child and his/her classmates as we walk along the beach. More information about this will be provided by the P&C later in the term.

Music – Recorder
If you would like your child to learn the recorder please contact the front office and register their names.

Thanks to the P&C
Many thanks to the dedicated members of the P&C who have donated funds to purchase a fish tank for the front office. Peter Hearne, Jennifer May and Brianna Monaghan have been busy helping to set it up and testing the PH level of the water.

FUNDRAISING

The first fundraising event for 2011 will be the Election Day Cake Stall on Saturday 26 March.

Paper plates, bags, labels and a note will be sent home next week. Please return the plates full of cakes, slices, biscuits etc on Friday 25th or on Saturday 26th in the morning.

Help on the day of the stall, particularly in the morning, would be appreciated.

Next P & C MEETING

The next meeting of the P&C is this Thursday, 7.00pm in the Staff Room. All welcome.
