Remembrance Day Service
Last Friday the school participated in a very moving Remembrance Day Service. Many thanks to Mrs Frost and the individual students who represented their classes during the service. Thanks also to the parents and school community members who attended this special morning.

I, along with the School Captains had the privilege of attending the Remembrance Day Service in Batemans Bay. Keshi, Ruby, Tane and Charlie along with captains from the other schools gathered with members of the public and various organizations to pay their respects as they laid our school wreath at the local Cenotaph.

School Survey
In the next few days you will receive a short survey to complete. The information provided by you will help us determine both ongoing as well as new directions for our school. The survey will be available both electronically as well as a paper format via the front office. It would be appreciated if you could take a few moments to complete the survey when it arrives.

Transitions
The year is rapidly coming to a close with transitions into and out of school occurring. Today we held our second 2017 Kindergarten transition session. It's so exciting to watch these small people start their journey along the education road. We welcome them and their parents into our community and hope it's the beginning of a very successful engagement in the learning environment. Last Friday we also saw our Year 6 students have a taste of High School when the students spent the day at Moruya High School. Many students were excited with the new subjects and teaching/learning resources and were excited with the new options that a High School setting offers.

Enjoy the week, some sun, more wind and the odd shower that awaits us.

Thought for the Week
Sometimes we need someone to simply be there. Not to fix anything, or to do anything in particular, but just to let us feel that we are cared for and supported.

Broulee’s Got Talent

We are getting close to this year’s BGT!
The Year 6 students organising the event are:
   Jacob, Reilly, Aidan, Tane, Charlie and Jake.
Auditions for Years 1–6 will be at lunch/recess throughout weeks 8/9.
The finals will be held on Monday 12th December.
You still have plenty of time to think of an act and practice, practice, practice.
Remember your act can be: singing, dancing, magic, comedy skit, telling jokes,
play a musical instrument or any other hidden talent you would like to share
with us. The maximum amount of auditions is: 2 per person or group.
The organisers will be visiting each class this week to take down the names of
those students wishing to auditions.

Remembrance Day

On Friday the Remembrance Day Assembly was held in the hall. The assembly was run by 2F and they did an excellent job learning their parts. They learnt a lot about Remembrance Day and the effects of war on countries all around the world.

They were joined by 2C in performing the song “I Am Australian” reminding us all of the beautiful country we live in. They have enjoyed singing this song together in preparation for the assembly and they sang beautifully on the day.

We hope that guests who attended enjoyed the assembly.

Mrs Frost
Pet Education
Last Thursday students in K–2 undertook a lesson in Taking Care of our Pets and Dog Safety. Students learnt how to approach a dog they don't know and some students got to practise this with Sian's beautiful dog Leroy.

The four steps for students to remember are STOP 3 big steps away, ASK the owner if you can pat their dog, let the dog SMELL you, and then PAT the dog on the back, never on the head. Students also learnt about standing still if a dog off the lead approaches them. It was a very interesting and informative presentation.
Netball

On Friday 11 November Year 3 and 4 girls walked across to Captain Oldrey Park to take part in a Netball Gala Day. It was a wonderful opportunity for the girls to play netball for a whole day. New skills were learnt and we all tried our best.

We were divided into four teams: The Broulee Butterflies, The Bumblebees, The Bolts and The Bluebottles. We played against schools from St Bernards, Sunshine Bay and Batemans Bay.

It was a great day for old friends to catch up and new friends to be made.

The girls would like to thank Mrs Jones for organising the teams and referring on the day. Also thanks to Mel, Michelle, Anita and Sarah for umpiring and managing teams.

We can’t wait until next year and do it all again. Go NETBALL!

Scholastic Book Fair is Here!

Our last Book Fair for the year is on NOW!
Book Fairs are a great opportunity for children, parents and grandparents to buy books, posters and novelties from the wide range available.

Items are sold at recommended retail prices, with our school retaining a 20–30% commission. This money is used to purchase resources for our school.

Make a purchase and receive a bookmark and an entry into the draw for book or poster prizes.

Hope to see you there,
Isabelle Cameron

Jindy Camp!

When I tell you what......You’ll never believe it!!
The thing was that it all went sooo quickly! It was the year 3’s first ever camp.
Of course most of the year 4 students who went on camp with us had been on camps before. We loved it like crazzzzy!
One of the great parts was the food, some agreed that the jelly ice cream was the best. But others decided that they liked the pancakes. As usual different people like different foods.
Most of all the activities were GREAT!! Here are some: Camp Cookout, Jindy Market, Canoeing, Archery, Rock Wall Climbing, Trikes and lots more fun stuff.
The Camp Cookout was a favourite. We first collected lots and lots of sticks, then we found some rocks from the last group. Next we formed the rocks into a round shape, the big rocks were used as hot plates. On the fire we cooked sausages (some got seconds) and we finished it off with dampers. The fires were put out and we then listened to Trevor recite the poem ‘The Man From Snowy River’ while Tim cracked the whip.

Moruya Peace Park Greeting Cards Order Form  
Due: Wed, 23 Nov 2016

In May 2016 students from Broulee PS participated in a Labyrinth colouring competition to help raise awareness of the not-for-profit Moruya Peace Park project. The results were outstanding and have inspired the creation of a greeting card range to help us continue to raise the funds needed to build our community labyrinth. The cards are A6 size and come in 2 packs of 6. The cards are blank inside making them perfect for Christmas or any occasion. The back of the card acknowledges the talented students and participating schools. They are printed locally and will be delivered the first week of December 2016.
