Principal’s News

I would like to introduce our 2016 School Captains– Keshi Quinton, Tane Simons, Charlie Jones & Ruby Jacobs. These four very capable students will play a vital role leading the student body internally and being great school representatives externally. Congratulations to these wonderful young people. I know your year will be full of rich and rewarding learning experiences.

Shortly we will be introducing our eight House Captains to our school community who together with our School Captains, make up our 2016 Student Leaders.

Policies

Each year it is mandatory for our schools to publish some of the main departmental policies, especially the mandatory policies around issues, concerns and complaints. Last week we highlighted the Anti-Racism Policy and this week I would like to draw your attention to the Complaints Policy.

Complaints Policy

Complaints Handling Policy Guidelines: I extend a reminder to all that if at any time you find that you have a concern about anything to do with the school, you are encouraged to contact us (phone, email or visit) so that your concern can be resolved. It is our aim to work with all of our school community to ensure that we do the very best we can to ensure an engaging, safe and enriching experience for our students.

Complaints Policy (cont)
However, should you feel that you must raise a concern formally, the NSW Department of Education has procedures to ensure that complaints are handled fairly. A brochure which provides information about how to lodge a complaint and a Complaint Form are available from the Front Office. Further information is also available in the Department’s Complaints Handling Guidelines which includes a guide to Lodging a Complaint. These documents can be accessed on the Department’s internet website:

Safety: Pick Up and Drop Off Times
Thank you to the parents who are picking up children from Captain Oldrey Park, there are a great deal more car spaces for parking and it is also safer as children don’t have to cross a busy street.

If you are walking your children into school from Cambridge Crescent, could you please ensure that you enter the school using the main gate and not via the carpark. As mentioned in last week's Scoop, the carpark is too busy and dangerous to have students and parents either driving in or walking through to drop off children.

This Thursday’s assembly at 1.45 pm will be led by 5/6C. All families are welcome to attend.

Principal

Thought for the Week
Some content can change over time, but the ability to learn is forever. That’s why the process of learning is more important than the product.

Do you own a business, or maybe a friend or relative does? If so, the Fete Committee would love to hear from you. We are looking for donations of prizes for our raffle and chocolate wheel. You can donate goods, services or a cash sponsorship (tax invoices provided). In return, we will give the business exposure on the school website, in the newsletter and at the Fete. Contact Anne Jones (0408 622254) or Natalie Fairweather (0429 628892) if you can help.

Thank you!

We’d love past students to get involved in the school fete as there are many ways they can help out—serve slushies, run bat-the-rat and jaffa basha, perform, sell hamper tickets, etc. Leave a message at the Front Office if you’d like to be involved and we’ll be in touch.

Fruit & Veg as healthy snacks

Fruit and vegetables are very healthy snacks for children because:

- the fibre found in these foods can aid digestion
- they are rich in vitamins, such as vitamin C which can build up your child’s immune system during the cold weather
- they add variety to a healthy and balance diet.
