Principal’s News

The school is a busy place with lots happening.
Thanks to the many students who have submitted stories for the Mayor’s Writing Competition and also to the students who will be competing in the ICAS assessments (International Competitions & Assessments for Students). The first paper, Digital Technology was held this morning.

We also have a number of older students competing in our school PSSA sporting knockouts, with girls netball being played this Friday against Moruya Public, boys soccer next week against Batemans Bay Public and girls soccer against Narooma Public. Good luck to these teams.

Last Saturday saw the area's first Hackathon hosted at Batemans Bay High School. We have received great feedback from both the organisers as well as our three participants – James Greenway, Daniel Wallace and Will Stone. While this event was an initiative of the Eurobodalla Digital Network group, a huge thanks goes to Greg McDonald, Principal of Batemans Bay High School for organising and coordinating the day, as well as the Eurobodalla Shire for supplying catering. A large number of individual business people also donated their Saturday to provide individual and small group mentoring. Students in Years 5 to 12, from both department and private schools, travelled from Ulladulla through to Narooma to participate.

Changes to Bus Pass Applications – Regional Applications Now Online
Effective 12 May 2016, applications for school travel passes in rural and regional NSW will need to be completed online instead of using paper forms. The online application can be located at:

www.transportnsw.info/school-students

This change will make it easier to apply as you only need to complete one form for each eligible address that covers all situations, including journeys that involve multiple transport operators. It will also be easier for schools and bus operators, as Transport for NSW will now handle the applications. This change only affects the application process.

Regardless of where you live in NSW, you can now update your details online (eg if the student changes address or school).

New applications for school travel passes for 2017 open from the start of Term 4, 2016.

Parents without ready access to the internet can phone 131 500 for assistance with their application.
