Principal’s News

Tuesday, 26 March 2013

Let’s hope the great weather from last weekend continues for the Easter weekend. I know many families are planning on camping, beach walks, surfing and other outdoor activities over the Easter four day holiday period. Following the Easter break, students will return to school on Tuesday 2 April and have nearly two weeks of school before Term 1 ends for the school holidays on Friday 12 April.

ICAS Competitions

A reminder for parents who would like their children to participate in the ICAS competitions (formerly known as the University of NSW competitions) that paperwork and money needs to be returned to the Front Office no later than Friday 5 April.

Reminder – Easter Hat Parade

Our Easter Hat Parade will be held this Thursday 28 March commencing at 11.40 am. Parents are most welcome to come along and join us in our Easter Hat Parade fun.

This Thursday’s assembly at 1.50 pm will be led by students from 2I. All families are welcome to attend.

Netball Gala Day

Congratulations to all the girls who went to the Netball Gala Day on Friday 15 March. It was a pleasure to watch them have fun, improve their netball skills, meet new friends and be fantastic ambassadors for our school. Team B not only improved their skills with every game they played, but they also learnt how to cooperate with each other and challenged themselves by having a go at different positions on the court.

Team A were very impressive and congratulations must go to the five girls who made selection into the Eurobodalla District Team – Heidi Woolridge, Brodie White, Mallee Smith, Jaylah Hancock-Cameron, and Briony Floreani. Special mention must go to Briony, who had never played netball before trialling for the school team four weeks ago. I am excited at the potential of this team for the upcoming knockout competition. Well done again girls, it was a great day!

Debating
On 11 March, Dylan Holmes, Julian Crosby, James Burnes and Jesse Jenkins were invited to attend a debate at Moruya High School. We were not actually debating though and merely watching as the two teams battled it out. We were joined in the audience by 10 children from Moruya Public School. The topic of the debate was “TV is better than books” and the heated debate carried on for about an hour with each side making excellent points and rebutts. But overall there can be only one winner and that was the affirmative team. It was a great day and we had an excellent time. Special thanks to Jesse’s Dad for taking us.
