School Performance – H₂O
Our performance is rapidly approaching and we are looking forward to all families, grandparents, siblings and friends joining with us to celebrate dance, drama, song and gymnastics.
There will be three performances in total – one matinee and two evening performances. Each performance will go straight through with no intermission. Children involved in class productions will not be part of the audience and will not be sitting with their parents either before or after their item, but will be supervised by their teachers in the classrooms. All classes will have an opportunity to watch the performance at the dress rehearsal the week before.
Each performance will have a potential 217 tickets available, so please don't leave your purchase until just prior to the date, as you may find you are too late and tickets have sold out.
Tickets will be on sale from the Front Office as of this Wednesday 28 August and will cost the following:

- $5.00 per adult
- $2.00 per child/school aged student

(There will be no charge for babies and toddlers sitting on their parent’s knee and who do not require a chair.)

Congratulations to:
- Mayor's Writing Competition Winners:
  Charlie Kemp-Jones, Callum Elliott, Summer McGeachy, Sarah Burnes, Mallee Smith & James Burnes
- ICAAS Spelling:

Water Usage
As part of managing our own resources and being proactive with recycling and our environment, we have had some of our senior boys monitoring our daily water usage. This has mainly included water used for toilets, bubblers and taps. The school grounds are watered from the school bore and our own recycled water from our underground tank and are not included in our water rates and usage.

In the four months from 15/11/12 – 18/3/13 we used 820 kl which cost the school $2,459. This is a lot of money, particularly when you consider that this period covered six weeks of the school holidays.

In the following four month period 18/3/13 – 20/7/13, we used 390 kl with a cost of $1,166. This is a remarkable difference in both volume of water used and the money paid to ESC. The daily water readings and monitoring by James Burnes, Buster Ware and Rory Shepherdson allowed the school to quickly pick up leaking toilets and dripping taps/bubblers.

Well done to both our boys and Mrs Dent for being active with this monitoring!

This Thursday's assembly at 1.45 pm will be led by students from KD. All families are welcome to attend.

Thought for the Week
What is Fair?
Fair isn't
Everybody getting the same thing......
Fair is
Everybody getting what they need
In order to be
Successful

Sue Lowe
Principal

Upcoming Events – Click on link below to see our Calendar
Year 5/6 Sydney Excursion
Reminder that final payment for the Year 5/6 Sydney Excursion is due this Friday 30 August.

Holiday Home for our School Chooks
We are looking for a family who would like to care for our chooks over the next school holiday period. The chooks could be collected either Thursday 19 or Friday 20 September and returned first week back Term 4. If you are interested, please contact the Front Office.

Lost Property
A reminder that there is a very large amount of unlabelled school clothing located in the lost property box in the hall and in the Uniform Shop.
