Tree Audit
Following a recent tree audit on all the trees located throughout the school grounds, a very small number have been identified as requiring removal. Some of the larger trees will also require the dead wood or branches to be removed from the main body of the tree. This work will be completed in the near future.

Uniforms
With the colder weather approaching could I please remind parents to make sure that clothing is labelled with names. Red jumpers look remarkably similar when you have a number of them left on the oval at lunch time. A reminder also to parents that black leggings are not part of the girls winter uniform. Girls should be wearing the required green track pants. Please check our Lost Property box located in the hall for lost uniform items.

Basketball Court
A special thanks to Marty Jones (Charlie and Lucy’s dad) who has been working on our basketball court to provide safer surface conditions for the children.

Years 5/6 Excursion to Berry Sport & Recreation Camp
A reminder to families that the $50 deposit for this camp needs to be paid prior to Thursday 12 June. Deposits cannot be accepted after this date.

This Thursday’s assembly at 1.45 pm will be led by students from 6R. All families are welcome to attend.

Thought for the Week
There are reminders for all of us in children’s books.
One awesome thing about Eeyore is that even though he is basically clinically depressed, he still gets invited to participate in adventures and shenanigans with all his friends. They never expect him to pretend to feel happy, they just love him anyway, and they never leave him behind or ask him to change.
District Cross Country

The Eurobodalla District Cross Country was held at Potato Point on Friday 16 May. 32 students from Broulee PS attended the event and performed brilliantly over a very trying course. All of our students ran with determination and we would like to congratulate them all for their efforts.

Stand out performances on the day were Travis Fairweather who came 2nd in the 8/9 year boys and Lucy Jones who came 6th in the 12 year girls. Travis will now go onto the South Coast Regional Primary Cross Country Carnival to be held in Nowra. Well done to all!
**Tracks & Scats**

On Thursday 22 May, Tom Dexter from Eurobodalla Shire Council came to teach 3/4M and 4H about animal tracks and scats (droppings). He showed us how to find out what sort of native animals live around our school. He constructed two sand boxes, filled them with sand and showed us where to leave them to get the best results. Each evening a few students rake the sand, water it lightly and leave a little pot of honey in the middle. The honey attracts the animals. In the morning the students examine the boxes for prints and identify them from a book Mr Dexter donated to the school called Tracks, Scats and Other Traces.

Thank you for your time Mr Dexter. The information you gave us was really interesting.
