Principal’s News

ANZAC Day

Last Friday we held our own school ANZAC Service followed by a wonderful representation of students at the ANZAC March at Tomakin on Saturday. Many thanks to Mrs Julie Frost who organised a very moving school service, where each child and staff member placed the name of a local WW1 enlisted member on the back of a decorated white dove. These doves were then hung on hoops and were presented to the assembly by students from each stage group. There were 377 names that were collected from the memorials between Mogo and Bodalla. On Saturday nearly all school staff and many students participated in the March and service in Tomakin. I'm very grateful to my school community for such wonderful support at such an important event. The students looked wonderful in their uniforms and their behaviour and manners were a credit to their families. Thank you to all.
Launch of our School App.
We have been working for some time on having our own mobile school app. While we think communication is good between home and school, I feel this app will make it even better. It is free, very easy to install and use and can be loaded onto either an iPhone or android phone. Just follow these instructions:

- iPhone & iPad: Open the App Store on your device, search for “Broulee Public School”.
- Android: Open the Play Store on your device, search for “Broulee Public School”.
- Windows Phone & Windows: Open the Windows Store, search for “enews” and download “School Enews” app. Open the app and search for “Broulee Public”.

Early Learning Labs and Little Learning Labs
The University of Wollongong is again running academic enrichment holiday programs. They are targeting high achieving students from Years 1 to 6 during 2015. Staff will be sending home a letter of invitation to some students. Please contact the front office if you have any questions.

**Dates:**
- Little Learning Labs – 30 June and 1 July 2015
- Early Learning Labs – 7 and 8 of July 2015

**Venue:**
- University of Wollongong’s main campus

Year 5 Opportunity Class
Please contact the Front Office if you are interested in your child applying for a Year 5 Opportunity Class placement in 2016. (Please note there are none available in this geographical area, but if you are thinking of moving to a larger regional town or city, you may be interested.)

Sir Ken Robinson
Sir Ken Robinson is an international consultant and is held in huge esteem from the international educational world. I would recommend you watching this YouTube clip, it’s very good. Click here to view the article “Sir Ken Robinson has a lot to say about U.S. school reform (it isn’t good)”.

This Thursday’s assembly at 1.45 pm will be led by our 1J. All families are welcome to attend.

ANZAC Biscuits for Everyone!
Last week Year 1 made ANZAC cookies. We had to ask the teachers how many people were in each class. We added up that there were 304 students plus the teachers. We also made some biscuits for Mrs Lowe and the ladies in the front office. We asked if anybody was allergic to Anzac biscuits.
We went on the internet and printed off a recipe. We needed flour, sugar, rolled oats, golden syrup, coconut butter, bicarbonate soda and hot water. We worked out that we needed a measuring cup, a big bowl, a little bowl, baking paper so they didn’t stick, trays, a microwave because we don’t have an oven in our room, a kettle and a wooden spoon.
On Thursday we made the biscuits which took a long time. We got to lick our fingers at the end. It was fun.
On Friday we delivered them to each class in the whole entire school for Anzac Day. They were yummy. Everyone said "thanks." Thank you Mrs Mealy for putting them in the oven for us.
Written by 1J

AFL Skills Day
This Friday 1 May, all students from K–2 will be attending an AFL Skills Day in Moruya. Please make sure you have returned your child's permission note and the $5 payment so they can attend a fun day. Students are to wear sports uniform and need to bring food and a drink with them as there is no canteen.
If you need another note, please ask your child's classroom teacher.

Eurobodalla Library Services
If you or your child would like to become a member of ESC library services, please click here to download a membership form and return it to me. I will then organise a membership card for you. For further information click here.

DO YOU HAVE AN INQUISITIVE AND INQUIRING MIND?
LITTLE AND EARLY LEARNING LABS WILL CHALLENGE YOU!

To apply visit: www.uow.edu.au/in2uni-myway/llapplicationform closing 19 May, 2015

Both Little Learning Labs and Early Learning Labs are designed for academically high achieving primary school students.

All workshops are held over two days and cover a range of disciplines, presented by teachers with specialist training or a specific interest in gifted education.

LITTLE LEARNING LABS
For students in Year 1 and in Year 2 during the 2015 school year.
When: 30 June - 1 July, 2015
Fee: $120
Where: UOW Main Campus

EARLY LEARNING LABS
For students in Year 3 to Year 6 during the 2015 school year.
When: 7 - 8 July, 2015
Fee: $140
Where: UOW Main Campus

For more information about individual workshops, sponsored places and how to apply, please visit www.uow.edu.au/in2uni-myway/learninglabsyr1-yr6 or contact Sarah Smith at sarsmith@uow.edu.au

A note for schools:
Places for this program fill up quickly. Please distribute this information to students whom you think would benefit from the program as soon as possible to avoid disappointment.

A TASTE OF THE WORKSHOPS...

**Little Learning Labs (Years 1 & 2 Only)**

**BIG WORDS – THE PEN IS MIGHTIER THAN THE SWORD**
Explore the art of persuasive writing through different devices and techniques.

**I’M A POET AND I DIDN’T REALISE**
Get ready to laugh, feel and think in this fun workshop full of wordplay.

**LITTLE MATHEMATICAL PLANNERS**
Fancy yourself an architect? You’ll be using all sorts of math to plan and create spaces of your own design.

**LITTLE VISUAL LEARNERS**
Calling all artists! You’ll be working on a variety of mixed media to produce some fabulous art.

**Mathematics in Real Life**
You will be building your own bridges in this workshop, come prepared with a plan and get ready to apply math in a practical and visual way.

**Medieval Journey**
Have you ever imagined what it would be like back in Medieval times? Come and find out in this creative and fun workshop.

**Scene Stealers**
Develop the skills and confidence in the various elements of drama as well as understanding good narratives and persuasive texts.

**What Happens When**
Do the science experiments you would not get to do in the classroom and be prepared to get messy!

**Early Learning Labs (Years 3 – 4 Only)**

**3D Modelling and Animation**
Create your own 3D model and animate it to produce your own short 3D movie. Don’t forget your USB!

**Devising Drama for the Theatre Space**
Bring your creativity, imagination, lots of energy and a sense of fun to this workshop.

**Extreme Writing**
Join us on a journey that will test your skills and challenge some of your ideas about writing.

**Forensics for Fun**
A variety of crimes are committed each day that need to be solved. Are you up for the task?

**It All Ads Up**
Prepare to persuade the masses as you create your own advertisement using random objects/recording devices and computer movie making software.

**Mathmatics!**
Did you know that Art and Math are super best friends? You can love one or the other or both! Come find out why they completely work together.

**Solve the Mystery of the Missing Carton of Mars Bars**
You need to be an effective Detective that can use their numeracy, literacy and investigative skills in this workshop.

**The Great Debate**
Want to learn how to duel with words effectively and construct clever arguments? Learn to speak with passion and persuasion while having fun.

**The Joys of Writing**
Experiment with different ways of writing to discover what best suits your storytelling style.

**Early Learning Labs (Years 5 – 6 Only)**

**3D Printing and CAD Modelling: Become a Maker!**
Begin your journey to become a 3D designer and maker using our 3D printers and software.

**Brain Challenge**
Want to know more about how your brain works? Learn to think outside the box in this workshop. Prepare to be challenged.

**Digital Media Mania: Movie Moguls in the Making**
Learn how to make engaging short movies and animations using pictures and videos from your own device.

**Everybody Knows How to Write, Don’t They?**
Break some rules and learn some you never knew in this interactive and creative writing workshop.

**Graphic Design**
Work in the Graphic Design labs on campus with professionals to further your understanding of design. You’ll come away with your own design on your t-shirt.

**Introduction to Building Video Games**
A crash course introduction into the world of game construction.

**Investigate Scientifically Using LEGO® Robots**
Our Speedway Spectacular workshop lets you design and build LEGO® NXT robot dragsters.

**The Art of Zentangling**
Calling all artists! Unlock the doors of your creativity in this fun and imaginative workshop.

**What a Wonderful World... To Be a Biologist!**
Better understand the world around you by designing your own experiments to test your observations. We will be on the field of Wollongong’s main campus exploring our environment.

Dairy foods are important for strong bones and teeth.

The Australian Guide to Healthy Eating recommends children eat 2–3 serves of dairy foods, such as milk, cheese or yoghurt each day. Why not try including these high-calcium containing foods:

- milk on cereal or a tub of yoghurt at breakfast
- cheese on crackers after preschool
- fruit smoothie as a drink
- custard and fruit or as dessert.
Moruya Golf Club
Charity Golf Day

as advertised on the WIN Television Network

Hit it for
Broulee Outdoor Amphitheatre
Friday May 29th 2015

The Moruya Golf Club and the WIN Network sponsor this fun filled event organised by Broulee Public School P&C. Previous years have seen some 120 players from the local business community compete in the 9 hole Ambrose event*. (Non Golfers are encouraged to register and enjoy a great day)

Sponsorship Details
Business Teams Sponsorship $500 includes a team of 4 entry and individual entry is $125. Each Team Player will receive the following included in the cost:
- BBQ Lunch on Arrival
- 9 hole Team Golf Game at Moruya Golf Club
- Post Game Hors d’oeuvres

All Business Sponsors have the opportunity to advertise their business on course, with banners, demonstrations and merchandise, please contact the pro shop to organize this. All banners must be at the club the day prior to the event. You can also contact Amanda at Poppen Graphic Design for your Corporate Banner requirements. Teams are encouraged to wear company shirt or colours on the day. There will be a prize for the best team uniform.

Day Outline
12:30 Attendance registration and BBQ lunch commence.
1:30 Shot Gun Start (we will start moving to our holes at around 1:15pm).

This is a 9 hole Ambrose event with the emphasis on participation, networking and fun.
4:30 As players finish their round of golf they are invited to the clubs leisure lounge for 1st, 2nd and 3rd place presentations and prizes.

What is the Broulee Outdoor Amphitheatre?
Broulee Public School is hoping to create a hub for the Eurobodalla community. Our vision is to provide increased imaginative play opportunities for children to use at school on the weekend and in the holidays. The area will also be great for local community groups. Our aim is to build a grassed Amphitheatre and stage area.

*What is Ambrose Golf?
Each player hits off the tee, the best shot is selected and all other players pick up their ball and place it; within one hand span, alongside the best ball. Each person then hits a second shot from the same spot. The best shot is again selected. This continues until the ball is in the hole. On the putting green the best ball is marked and the other balls are played from this position.

For Further information contact event organiser:
Melissa Love 0402065846 lovem@winnsw.com.au

Entry forms and registration is available from the Moruya Golf Pro Shop.

Broulee Moruya Giants need 11, 12 & 13 year olds

Fielding teams in the under 11’s and under 13’s, Broulee Moruya Giants have their first game in the SCAFL at Moruya, on Saturday the 2 May against Pambula. There has been a lot of interest from kids in the Under 11 age group. A few more kids aged 11, 12 and 13 would be great, to boost numbers in the Under 13 side. Playing on Saturday allows those that would like to try Aussie Rules to do so without giving up Soccer on Sunday. Training is at 4pm on Mondays at Broulee, and Thursdays at Moruya, for the convenience of families, with close proximity to many schools. We can play a couple of kids that are 13 if they are small or haven’t played before. This is a great opportunity for those aged 13 to start up Aussie Rules! For more information www.BMGiants.com or Contact Marty 0478605645

You are invited to attend

Carroll College’s Year 7, 2016
Open House
And Information Night

Monday 4 May, 2015

Tours will be available
From 5.00pm – 5.30pm

Information Session will begin at 5.45pm

Refreshments will be available
All welcome!

For more details please contact Nadine on 44715600 or email nadine.cooper@cg.catholic.edu.au
