Class Reports
Please note that class reports will be sent home with your child on Wednesday 29 June.

School Disco
What a wonderful evening of entertainment. The disco was very well patronised and, as always, the canteen was extremely popular. Events like this can only run with the enthusiastic support of many volunteer helpers. To all the dedicated P and C helpers and the supervising staff we say a big thank you. Special thanks go to Clare Dunn for your coordination of the event. The students are double winners – they enjoyed a great disco and they will benefit from improved school resources with the money raised.

NAIDOC Celebrations
On Friday, our students will be participating in a wide range of activities in and out of school. You are most welcome to join us on the day. Please see the separate article in the Scoop for further details. Friday is a non-uniform day where students should wear comfortable clothing. No thongs or singlet tops and hats still need to be worn.

Farewell Janelle
This week marks the farewell for Janelle Norton, our wonderful canteen manager. Janelle has given so much to the Broulee school community through her excellent management skills and provision of innovative and popular canteen menus. From all at Broulee Public School, we say thank you Janelle and we wish you and your family every happiness in your new life on the north coast.
Debating and Public Speaking

Congratulations again to our debating teams from their great effort in Sussex Inlet last week.

Our two Broulee teams will be competing against each other on Wednesday in our school hall starting at 11.45. Family members are most welcome to come and watch.

Well done also to our Apex Public Speakers, Chelsea, Lucas and Georgia for your terrific efforts.

Slapped Cheek Disease

A number of cases of Slapped Cheek disease have been reported this week. Symptoms to look out for include fever, aches, runny nose and a rash which commonly starts on the face then spreads to other body parts.

MS Readathon Update – It’s Not Too Late to Register

I have just received an email advising me that our school is one of only four schools that have so far qualified to be entered into the draw for 20 iPads.

It is not too late to take part in this year’s MS Readathon. You can read for any 30 days in June/July. Register online at: http://www.msreadathon.org.au/

We now have 30 students participating with each hopefully raising a minimum of $10.

As well as going into the draw for the iPads, our school will receive 10% of funds raised by our students in the form of Target gift cards.

New Staff
It is with much sadness that I will leaving the canteen at the end of this week. I would like to take this opportunity to thank all the Volunteers, committee members and staff who have given me so much assistance over the last two years. I would also like to thank the families and students for your continued support. It has been lovely to be part of such a wonderful community.

I would like to congratulate one of our existing volunteers on the appointment to the Canteen Supervisors position. Belle has been volunteering in the canteen for nearly 18 months and I am sure will be a familiar sight to many families and students. Well done Belle on your new appointment.

Best wishes,
Janelle

‘Come as a Star’ Disco
A huge ‘Thank You’ to everyone who helped make our ‘Come as a Star’ Disco a huge success. We all had fun dancing to the music of DJ Matt Brown and the canteen was serving food and drinks all night.

Congratulations to all the students who attended. Parents in the canteen commented on their beautiful manners and good behaviour. We raised over $1200, which will be put towards purchasing resources for our school.

Apex Public Speaking

Last week, three senior students from Broulee PS attended the annual Batemans Bay Apex Club Public Speaking Competition.

At this event, students from across the district have the opportunity to present a three minute speech on a topic of their choosing.

Lucas White spoke about bullying, Georgia Voce spoke on the Endless Summer and Chelsea Penkethman talked about surfing.

All three speakers did themselves proud. They were well-prepared and confident in their presentation. An outstanding effort given the challenging process asked of them to speak in front of a public audience.

Well done Lucas, Chelsea and Georgia
