**Principal’s News**

**Basketball Court**

Last year we were very lucky in our successful bid for funds for upgrading our basketball court. These coming holidays the court will get the promised attention and will be extended in size, as well as being totally resurfaced. During the holidays this entire area of the playground will be sectioned off while work is carried out and the small external school gate that opens into this area of the playground will also be locked. I hope that this does not inconvenience anyone, but the end result will be worth it.

**Staff News**

We have received advice that Mrs Lynne Takacs will continue on at Bodalla PS as Relieving Principal for Term 2 and possibly the remainder of the year. We are lucky to have Mrs Meg Lander who is such an experienced teacher and who will continue with the Year 3 class.

Mrs Hounsell will also be working a four day week – Monday to Thursday – and will be replaced each Friday by Ms Sali Cantrill.

**Fairy Garden**

A massive THANK YOU to all involved with the construction of our Fairy Garden and especially Mrs Simone Elliott for all her coordination. It looks fantastic! More information later in this Scoop.

**Cake/Plant Stall – Election Day**

A big THANK YOU also to Lachlan McRae's Mum, Katrina and Grandmother, Kaye for coordinating the Cake/Plant Stall last Saturday and to all our families who contributed baked goods, plants and/or their services on the day. Together you raised $210!
Golf Day
Thank you again to Moruya Golf Club and Melissa Love of WIN TV for their wonderful support of our upcoming Golf Day. Please see attached flyer later in this Scoop.

Fairy/Elf Garden
A big thank you to all of the helpers who worked on the Fairy Garden last weekend, it looks fantastic! A special thanks to Marty Jones for his knowledge, equipment and hard work. There is still some work to be done on the garden and time needed for plants to become established and therefore, it won’t be open for play just yet. It is anticipated that we will have an official opening early in May. Thank you to the Barker family for their recent donation to our Fairy Garden project.

Easter Hat Parade – Thursday 2 April 10.15 am
Our Annual “Easter Hat Parade” will be held this Thursday at 10.15 am on the handball courts. Family and friends are most welcome to come along and watch. Students are encouraged to make their own ‘creations’. Click on one of the below links for some interesting ideas using recycled materials.

Broulee Public School taking up the ‘Get Active’ call
The Department of Education recently released its new sporting policy that requires students to undertake at least 150 minutes of moderate to strenuous activity a week. To meet these targets, lunch and recess times at Broulee Public School have become a much busier place.
Mrs Dunn has introduced dancing, Mr and Mrs West conduct Rugby Union skill development and Mrs Frost will lead a 1 km run on Thursdays. After 42 Thursdays, students will have completed a ‘mock’ Marathon and will receive a certificate for doing so.
Mrs Elliott oversaw the construction of a fairy garden for the younger students. Rielly Collins, a Year 5 student as part of his genius hour project, has planned, organised and is delivering a Stage 2 basketball skills sessions and a Stage 3 Basketball competition.
Mr Rutter and Mrs Morgan, with the expert assistance of Nigel Dallas, train the school’s boys and girls touch footy teams and Miss Clarke takes the girls Netball team whenever there is time to spare.
Kinders still enjoy climbing in the adventure tunnel and the boat is a favourite spot for all ages.
With this much action on offer at both recess and lunchtime, it is hoped all students at Broulee Public School make physical activity a must do on each and every day.
Early next term many Year 6 students will participate in the Premier’s Sporting Leadership program. Following this training, it is hoped the students will lead more ‘get active’ activities at break times. Touch footy competitions, obstacle courses, throwing and catching practice are just a few activities planned.

Annual Raffle – Fantastic prizes!
The P&C has once again put together some amazing prizes for our annual raffle. A book of 10 raffle tickets has gone home to each family today and we are hoping that over the holidays you will be able to sell these tickets. Money that is raised from the raffle is used across the whole school to support academic and creative projects. Should you require more tickets or have a question, please contact Sue Lindsay on 0421–615–764.

We are also selling tickets outside the Tomakin IGA on Saturday. If you are able to help out on Saturday for an hour or so, please call Anne Jones on 0408 622254.

Please return all tickets (sold or unsold) and money to school on or before Monday April 27.

Happy selling and thank you for your support!!

Plastic Containers Wanted
The school is undertaking an art project as part of the River of Art Festival. We need some round plastic containers to assist us with this. Empty plastic jam and honey containers would be perfect or anything similar. We do not need the lids. Please send any you have into the Front Office. Thank you and we will keep you informed about how the project is going.

No time for breakfast?
Try some of these quick breakfasts that children can enjoy “on the go”.

4:30 As players finish their round of golf they are invited to the clubs leisure lounge for 1st, 2nd and 3rd place presentations and prizes.

What is the Broulee Outdoor Amphitheatre?
Broulee Public School is hoping to create a hub for the Eurobodalla community. Our vision is to provide increased imaginative play opportunities for children to use at school on the weekend and in the holidays. The area will also be great for local community groups. Our aim is to build a grassed Amphitheatre and stage area.

*What is Ambrose Golf?
Each player hits off the tee, the best shot is selected and all other players pick up their ball and place it, within one hand span, alongside the best ball. Each person then hits a second shot from the same spot. The best shot is again selected. This continues until the ball is in the hole. On the putting green the best ball is marked and the other balls are played from this position.
