Welcome to 2015 at Broulee Public – a year that will be bigger, busier and better then ever.
I would like to extend a warm welcome to our new families, either in Kindergarten or families new to the area, it's lovely to have you join our school community. We are off to a very smooth, but exciting start. Classes were in place and children busy at work by 9.15 am on day one! I appreciate the wonderful support from my staff in being able to achieve this result. Many were in for days over the holidays, moving and preparing their classrooms and lesson plans.
This week is our first full week with all of our students attending from Kindergarten through to Year 6. The school continues to expand with the demand for enrolment far surpassing the number of student positions available. Even with a new additional Kindergarten class, we have had to decline a number of enrolment applications where students live outside our zoned area.
To increase parental awareness around school zones and enrolment, we have now posted our "Out of Area Enrolment Policy" on our school website.

Staff and Classes:
With the additional new class we have welcomed Mrs Cathy West to our staff. Some of you may remember Mrs West from last year when she relieved in Kindergarten. I would also like to welcome Mrs Rachel Dunne who is replacing Mrs Isbester. Mrs Isbester is enjoying retirement, while Mrs Lynne Takacs is relieving Principal at Bodalla Public School for Term 1 and is being replaced by Mrs Meg Lander.
The following is a list of classes and staff for 2015. The name of each class group will reflect the year level followed by the first letter of each teacher's surname, eg Mrs Frost's Year 2 class will be 2F.

- Kindergarten: Mrs Bourke – KB
- Kindergarten: Mrs Dunn – KD
- Kindergarten: Mrs West – KW
- Year 1: Mrs Jones – 1J
- Year 1: Mrs Elliott – 1E
- Year 2: Mrs Frost – 2F
- Year 2: Miss Clarke – 2C
- Year 3: Mrs Takacs – 3T (replaced for term 1 by Mrs Lander)
- Year 3/4: Mrs Morgan – 3/4M
- Year 4: Mrs Hounsell – 4H (Mrs Hounsell is on sick leave for a few weeks and is replaced by Miss Melissa Frost)
- Year 5: Mrs Dunne – 5D
- Year 5/6: Mr Cameron – 5/6C
- Year 6: Mr Rutter – 6R

The following positions remain unchanged from 2014:

- Mrs Cameron – iCentre Coordinator
- Mrs Enright – Reading Recovery/Support teacher
- Miss Dorney – Learning Support Coordinator
- Mr Hounsell – specialist Science teacher and Digital Technology Coordinator.

As we wanted to keep our three Kindergarten classes together, we have relocated some of the other classes to new rooms. To help you find the new locations we have included a school map in this week’s Scoop. This map will also be available on our website.

Although we ordered the furniture for our extra class, we are still waiting for some of it to be delivered. For example we have tables but no chairs, but we have been promised that all should be delivered by 11 February. It’s lucky that Kindy children are still little and don't mind spending some time on the floor.

**Congratulations**

Congratulations to Mrs Dunn, one of our wonderful Kindy teachers who became an Australian citizen last Monday. Mrs Dunn, who originally came from England, now calls Australia home!
Thanks
Special thanks to our wonderful Rural Fire Brigade who have spent hours throughout the holiday period cleaning up the scrub in our bush area. Not only has it reduced the fire hazard, but also the snake hazard. Our school would never have had the resources – human or machinery to do such a wonderful job. Our grateful thanks to all involved!

Jackie French
Jackie French inspires children to read: The ability to read is critical in the school setting and certainly an indicator of educational and career success. It is however much more than that, reading can be a lifelong leisure skill that can be enjoyed over the years and across all settings. I was therefore delighted to see that well known author Jackie French was recognised in the Australia Day Honours list. I have attached the following link where French talks about the value of reading, especially reading out loud. I hope you enjoy it as much as I did.

Thought for the Week

For all of our Mums/Carers sending their child to school for the first time.

Or alternatively, you may be feeling like this!
This Thursday’s assembly at 1.45 pm will be led by our 2015 House Captains. Medals and ribbons for Swimming Age Champions will be presented at this assembly. All families are welcome to attend.

2015 Student Bus Passes
Parents are reminded that Transport NSW requires all students entering Year 3 for 2015 to complete a new bus application form in order to be issued with a current bus pass. Also, students in Years 3 to 6, who live within walking distance of the school, will need to complete a new bus application form for this year. On receipt of a completed bus application form, an interim or orange pass will be issued. This will entitle these students to free travel. Bus Application forms are available from the School Front Office.

THANK-YOU
William, Amy & Emma Reid's Grandma for looking after our chooks over the Christmas holidays. Thank you also for entering our eggs in the Moruya Show and winning us first prize of $25.
