Raffle Tickets
Thank you to everyone who sold raffle tickets over the last few weeks. We have had a wonderful response and some great prizes are just waiting to be drawn this Thursday 7 May. Although the final count is yet to be finalised, we do know that it’s several thousand dollars. If you have not returned your tickets yet, please do so as soon as possible.

New School App
I hope you have had the chance to download our new school app. We have had some nice feedback from parents about how easy it is to download and how much more functional it is with the push alert process. This week we will send a paper information sheet home with children in the hope that we can pick up any parent that has not yet provided us with an email address. These parents may like to just go directly to the App Store and download the Broulee Public School app.

Mother's Day
The staff and children from Broulee Public School would like to wish all of our "mums, grandmothers and wonderful carers" a happy and restful Mother’s Day for this coming Sunday. Enjoy every minute of it.

Reminder – Kinder Reading Info Night – tonight Tuesday 5 May 7 pm
A reminder to our Kindergarten parents/carers that the Kindergarten Reading Information Night will be held in the i–Centre this evening, commencing at 7 pm.
Canteen Refurbishment

Please be advised that the Canteen will be **CLOSED** Friday 22 May and Monday 25 May for refurbishment. We apologise for any inconvenience caused.

This Thursday’s assembly at 1.45 pm will be led by students in 1E. All families are welcome to attend.

**Thank You**

On behalf of Year 6, we would like to thank Penny Kemp-Jones for our wonderful Year 6 t-shirts. We would also like to thank you for your time and effort that you put into the shirts. We really love the design on the back!

Thank you also to Mrs Mealy for organising the shirt order and looking after the notes and money. We appreciate it.

From all of Year 6
AFL Skills Day
On Friday 1 May, students and teachers from Kinder – Year 2 travelled to Moruya on buses to attend the annual AFL Skills Day. Each class group was given a leader from a local high school, some who were ex-Broulee Public School students and big brother and sisters of our students. These leaders did a great job teaching our students the many different skills involved in playing Australian Rules Football. We did lots of activities and played all sorts of games to practise these skills such as hand-balling, kicking, agility runs, tackling and taking high marks. The rain held off (just) and the students had a great day.

“Read More in May” Competition
Students in Stages 1 and 2 are participating in the “Read More in May” competition. Students are required to read for 10 minutes each day/night during May. Parents/Carers/Teacher/etc sign the record sheet and return it at the end of the month. All completed entries will go into the draw to win one of 2 x Family passes to Mogo Zoo. Stage 3 students can choose to participate. Some class teachers are also entering students in the Scholastic competition where they can win $250 of vouchers.
River of Art School Project
Two weeks ago our students were all involved in making a beautiful piece of artwork together featuring a Long-tooth Sawfish. Teacher and grandmother, Julie Hurt designed the piece of art and worked with all the students at our school to bring it to life. Students used sponges, paintbrushes, material, sequins and covered tin cans to create the 2m x 3m painting on calico. The artwork will be on display during the River of Art Festival as part of the "Waterways Museum." This ‘pop-up’ museum will be open in Moruya at the Showground in the main pavilion during the Eurobodalla River of Art Festival in May from 16th – 24th May, 2015. It promises to be a stunning visual experience incorporating installation, animation and performance. The project asks us to imagine a water museum of the future and will include interactive installation, sound and performance. The creative process and content is being developed in collaboration with Sydney-based theatre company ERTH Visual and Physical. There will be a range of creative people involved including visual artists, performers, designers, tinkers, musicians, audio artists, craftspeople and signwriters. We hope that many of you will attend this wonderful exhibition and take a look at our whole-school artwork. Several classes are also submitting individual student's artwork which will be interesting to view. A big THANK YOU to Julie for giving up her time to allow our students to be involved in such a memorable and rewarding experience. For more information about the exhibition, visit the River of Art website: www.riverofart.com.au
