School Photos
Thanks for the support with our school photos and apologies for such short notice. Unfortunately we were advised at the beginning of this term that Pixie Photos were no longer doing school photos. They moved out of the school section of their business at the beginning of this term, so we had to find another company very quickly. A number of families had already made commitments around the nominated date which had been in the school calendar all year, so we had to keep to this original date.
The School Photographer, our new company, have given us a very good deal and the class photos will actually be cheaper then last year. We hope you enjoy the photos and memories of your child's class and time at school.

Staff News
Mrs Chris Ritchie has extended her leave to the end of Term 4. We are lucky to have Miss Sam Clarke available to continue on class 4R.

This Thursday’s assembly at 1.45 pm will be led by students from 2I. All families are welcome to attend.

Regional Excellence Awards

Congratulations to both Mallee Smith and Mrs Lowe who both received Regional Awards last Friday. The ceremony, which was held in Wollongong, celebrated Excellence in Education.

Mallee, one of our Year 6 students, received her award for outstanding academic and sporting achievements. Mallee was one of only four primary students who received this award in the region.

Two principals in the region received awards. Mrs Lowe's award was for Excellence in Education and Leadership. Particular reference was made to the innovative change that Mrs Lowe has made through collaborative processes based on current research, high expectations and transparent accountability. The school's technology program (BYOT) is being adopted as a model throughout Australia and has attracted international interest.

Congratulations to both Mallee and Mrs Lowe.
