Welcome back to Term 2 – it’s only a short nine week term, but it’s a busy one.

ANZAC Day
Many thanks to our children and staff who represented our school in the ANZAC Day March during the holidays. A special mention needs to be made of our School Captains who looked the part as they led our school in the March.

We had a large group and their behaviour and standard of dress was excellent. We received some wonderful feedback from proud community members.

We also held our own small service last Tuesday when the students returned. This service was led by students from 5/6T.

NAPLAN
Next week all students in Years 3 and 5 will sit the national NAPLAN test. The tests will be completed over three days – Tuesday, Wednesday and Thursday – with Friday being the day when children who may have missed a test can catch up. Only part of each day will be devoted to NAPLAN with the majority of the day being filled with normal school routine. Parents and students should not be worried about these tests – they are an indication only of the knowledge, skills and capabilities that our children have. If you have any questions about NAPLAN please do not hesitate to contact the school.

Printable planners for homework and study
School A to Z has printable monthly planners which include school holidays and the numbered weeks of each Term (for example Monday 19 May is the start of Week 4, in Term 2). Print one for each child to stick on the fridge or on their noticeboards. It’s a great way to teach them how scheduling their time means they’ll fit in the fun activities as well as their other commitments and responsibilities. Download May 2014 at http://bit.ly/UbmQz8.

School Photos
School Photos will be sent home this week, so please keep an eye out for them in your child’s bag.

Chess Helpers Wanted
If you or someone you know would like to help us restart our Chess Club, could you please contact the Front Office. Any assistance in organising chess games would be greatly appreciated.

This Thursday’s assembly at 1.45 pm will be led by students from 1J. All families are welcome to attend.

**Mosaic Dragonfly**
Thank you to our Gardening Committee and other parent and student volunteers for coming along to help create the first of our mosaics for the vegetable garden. We had a very relaxed afternoon creating a large dragonfly which is now hovering on the outside of the Kindergarten classroom wall overlooking the vegetable plots. If you would like to help create our next insect mosaic, please come along to our next Garden Committee meeting during Week 4.

**Rope Wanted!**
We would love some lengths of rope of different thicknesses and colours for our weaving frames. The mesh inside the frame is approximately 2 cm squares. Please send any donations to Mrs Dunn in the Kindergarten classroom. Thank you in anticipation.

**Great news!**
All Broulee PS students now have access to BrainpopJr (K–3) and Brainpop (3–6) at home. User name is “brouleeschool” Students know password. I recommend this rich learning resource to you.

Parent Meetings will be scheduled, but for those who cannot attend, I am endeavouring to set up an email tree to keep everyone informed. We are holding our 2nd RSPCA Million Paws Walk on Sunday 18th May at Riverside Park in Moruya. Our inaugural walk last year was a huge event and we are hoping this year will be even bigger and better.
To let the community know more about our local branch of the RSPCA and also to pre-register for Million Paws we are opening a temporary shop in the main street of Batemans Bay (old Raine & Horne) every Saturday for approximately 6 weeks.
Opening Saturday 5th April and running until the 10th May. We would love you to pop in and say hi!
